I wasn't.. I didn't know if I was doing the action right

That one I initially thought was weird but then I figured out she was burning.

I liked the cat in this one. Made me happy

This is just weird. I don't know if I like this. Just really weird. \*laughs\* And creepy.

This one I wasn't exactly sure initially how to do it. Cause it was different than the other mohawk ones.

Kept on getting the dumbbell it was weird. But I won so its ok

I didn't really know what to do for this one, but, but I realized oh ok, but I was all the way on the other side of the screen

This one was weird but it was kinda fun. I kinda wished I could do it again

I wasn't sure if I did that one correctly even though I beat it. Dumbbell was just weird.

Was really sensitive. I liked that

The squatting is weird. And the animation is weird. It was funny though.

I screwed this one up, because it was supposed to be like the.. I didn't realize that the TV was supposed to be in the shadow

This one was funny when I was jumping.

Yeah was like when I first started playing it was really hard to do initially

The cat's just fun. Cant deny that

Just gross.

These games are just really quirky. But I really like the music and the animations are kinda fun in their own way

That one was really easy. I liked that. That's the thing about these games they're really fun and really easy
